Greedy DLC practices.. Not a great dlc, u2665u2665u2665u2665u2665u2665 practice by paradox re lack of support.. Incredible greed shown from paradox that this isnt free depite being out for almost 3 years now. Shame you have to buy it because base eu4 is unplayable.. A DLC for niche maritime players, mostly accessory.. Bleed me dry. Incredible greed shown from paradox that this isnt free depite being out for almost 3 years now. Shame you have to buy it because base eu4 is unplayable.. Not a great dlc, u2665u2665u2665u2665u2665u2665 practice by paradox re lack of support.
