## About This Game

### Welcome to Beryl Hotel:

After receiving a disturbing letter from his brother, our protagonist decides to go looking for him at the hotel Beryl. He will soon discover the strangeness of the places, the objects, the paintings, the shadows and the terrifying models moving, speaking, living of their own will.

Space-time seems to have become illogical, not to mention the presence of an entity that relentlessly pursues the guests of the hotel.

He will soon discover the cause of these strange events but may not survive...

Trap is a horror game divided into several chapters with a duration of 20 minutes of play, based on the exploration and resolution of puzzles.

Press the "Enter" button to allow our protagonist to collect important objects, turn keys, open doors, and interact with the environment.

The exploration of different places and the discovery of all the objects are indispensable to finish "Trap".

**Part 1** : Welcome to Breil

**Part 2** : The room 6

**Part 3** : Hide-and-seek(soon)
